The Minds of Boys and Girls Presentation by Michael Gurian

Wed, Feb 28, 6:30pm,

Hillview Middle School PAC

In this inspirational, practical, and humorous presentation, renowned educator, family counselor, and author Michael Gurian focuses on helping boys and girls across the gender spectrum to succeed in school and life. As boys and girls experience their home and school life differently, Michael explores how the minds of boys and girls are distinctly different—and how parents, educators, therapists, and others can care for and support the needs of our children. Drawing on more than thirty years of research and counseling practice, Michael traces how a child's learning mind and how genders learn and grow differently, how acculturation influences boys and girls, and how crucial school is to life success. Michael will be available to sign books following the event and books will be available for purchase. Refreshments and beverages served. Childcare available for potty-trained children. For more information, visit www.mpcsdspakerseries.com
