UPDATED! Jordan International Night

"Building A Vibrant & Diverse School Community"

On Wednesday, September 27, Jordan celebrated our super vibrant and diverse international community at Jordan's International Night. Yummy food, great raffle prizes, popular teen music, Jordan student art slides, and dancing were all showcased in the MPR. This speaks to our vibrant international community. Thank you to Mrs. DeStefano's and Ms. Gilbert's class students for baking over 500 cupcakes to be shared by all. Thank you for parent volunteers and students for hosting the country tables, including but not limited to, Finland, Sweden, Holland, France, Switzerland, Pakistan, China, Mexico. Each table showcased cultural items, sweet treats, tasty savories, and interactive hand-on games like shuffleboard to create an atmosphere that celebrated the global diversity in our midst. Enjoy the raffle prizes, include a travel tote, Japanese coin purse, English Breakfast Tea, French Candle, Dutch Shoes, and many more. A special thanks to the Jordan Cotillion dance students, Mr. Graelen's Art Students, the Brazilian Capoeira troupe, and the planners for putting all this together. If you have ideas for next year, Wednesday, September 26, 2018 -- Yes!! We are already thinking ahead. Please email Kathleen Hart at jordaninternationalnight@gmail.com.

NEW! Picture Make-Up Day

Tuesday, October 3

Students requesting a retake, must bring their original picture package on picture day.

Walk and Roll day

Walk and Roll day at Jordan is coming on **Thursday, October 5**. If you are not a regular bicycle or pedestrian commuter, October 5 is your day to try alternative transportation. So check your bike now, make sure it is working. Find your bike helmet and make sure it still fits. Find your scooter, or check out the bus or shuttle schedule. Form a carpool with your friends. Choose an alternative to coming to Jordan alone in a car. See you October 5th!

Cycling Safely to School amidst Traffic

Please remind your children and students to obey the traffic rules and ride cautiously:

1. Wear your helmet and buckle it.
2. Always assume cars do not see you, make eye contact when possible, and move cautiously through intersections.
3. Stop the herd habit!--groups of bikes are not stopping at stop signs! Since cars will want their lawful turn at an intersection, it is a dangerous assumption that bikes can just plow through a stop sign.
4. As we move closer to winter, don't forget to remind your kids that if the sun is in THEIR eyes, it is also in the eyes of car drivers coming up behind them. Always keep to the right shoulder and try to be aware of upcoming cars.
5. A bicycle is a vehicle. Ride your bike on the same side of the road as cars going the same direction. Do not ride the wrong way, or on the sidewalk.

Attention 8th Grade Parents!

The JAWS Center is Open!

We are excited to announce that our Jaguar Academics and Wellness Support (JAWS) Center for the 2017-18 school year is now open! Our doors are open from 3:05 - 4:30pm on Mondays, Tuesdays, and Thursdays. Once students are checked-in, they are able to utilize all of our library resources including computer use and textbook/library book check out/check in. As we open this year, you may notice some differences from last year. This year our coordination team, who will be overseeing our JAWS services on their designated days, consists of Ms. Jennifer Pequegnat on Mondays, Mr. Keith Clarke on Tuesdays, and Mr. Garth Rogers on Thursdays.

Student Sign in:

Students must arrive in the library **no later than 3:15pm**. If a student will arrive later than 3:15, he/she/they must come with a pass from a staff member in their binder reminder marked on that particular date. Students are NOT permitted to

leave campus then return for JAWS. *Binder Reminders are students' tickets into JAWS. It must already be filled out by the student with assignments to work on for the day.* Staff members will come around to check in with students using their binder reminders.

Snacks:

During the JAWS session, once all students have been signed in/checked in, snacks will be provided to students. Please notify our coordinators of any food allergies upon arrival at JAWS.

Cell phones:

While we understand the need for students to have a cell phone after school hours, please respect the students and staff working in the JAWS Center. Cell phones should not be visible or audible (please turn it on silent). If a student needs to make or receive a call, please use courtesy, notify/indicate to an adult and then step out of the library to use the phone.

Behavior expectations:

The JAWS Center is a place for students to have a safe and comfortable environment to work on their academic needs. All behavior expectations during the school day apply during this after school program. Any students who habitually disturb or disrupt the learning environment will be asked to leave JAWS and a parent will be notified.

Student dismissal/ sign out:

JAWS ends at 4:30pm, clean up will begin at approximately 4:20pm. If any students complete their work early or need to check out early for appointments, please use the JAWS iPads to sign out. Once students have signed out, they must leave campus immediately. Any students found wandering campus in unsupervised activities may warrant disciplinary action/consequences. A late bus is available to students who ride the school bus. Students must wait in the N. California bus loop immediately after JAWS dismissal to ride the bus.

ONSITE AFTER SCHOOL

Rose Debate Institute Returns Monday, September 25th

Once per week on **Mondays** from **3:10pm - 4:40pm** for 11 weeks. Establishes a firm foundation for communication. Our *Public Speaking 1* course prepares students for every public speaking situation. The course includes *confidence building, interactive oratory, body language*, and much more. For seven years Rose Debate has shared the world of speech and debate with middle and high school students in Silicon Valley. We are committed to growing our students in three important areas: **CONFIDENCE**- Public Speaking is one of the most prevalent fears in the United States. PS1 grows students in the confidence they need to overcome this fear. **COMMUNICATION** - As internet use has increased, practice in non-verbal communication has decreased. We create an environment where students can grow as communicators with their peers. **LEADERSHIP** - Strong introductions, meaningful conversations, and persuasive speaking are the building blocks of good leadership. Registration is \$395 per student & covers all course materials. For a full list of dates, and to register, visit our website at www.rosedebate.com/jordan.
