### **It's a Wonderful Nutcracker! December 8-10 & 15-17, 2017**

Blended with the storyline of the classic film "It's a Wonderful Life", Menlowe Ballet's production is set in the 1940's and boasts all the magical trimmings of a traditional Nutcracker.. You and your family will experience surprising twists on both stories and a heartfelt message that while giving and receiving 'presents' is just part of what makes the holidays wonderful. This production stresses the importance of physical presence in the lives of those who mean something to us. This season we also added a storyline illustrating how the power of connection and generosity can overcome greed and divisiveness. This is a holiday production that you and your family will want to see!

**Congratulations to Jordan's own Ryan Hudacek who appears in this production!**

Performances will be held at the Menlo-Atherton Performing Arts Center on December 8-10 & 15-17. Tickets are available at [www.menloweballet.org](http://www.menloweballet.org).
