Second Jordan Challenge Day - February 27, 2018

What is Challenge Day?

A one-day interactive program where students, staff, and community members come together to break down barriers and create connections.

- Using highly interactive and energetic activities, Challenge Day Leaders guide participants through an exploration of the ways and reasons people separate from each other, and model tools for creating connection and building community.
- Each Challenge Day consists of 85 students (7th and 8th grade), 25 adult volunteers, 15 Jordan Student Ambassadors (students who have participated in Challenge Day before), and 2 professional facilitators.

This is the Challenge Day Slide Show our 7th & 8th grade students are seeing in their Advisory Classes. Challenge Day [SLIDE-SHOW LINK](#).

Challenge Day Volunteers Needed February 27

We need a few more parent volunteers to help make this event a success! Volunteers must be available for the full program, from **7:40 am - 3:15 pm**.

Please email our Assistant Principal, Magdalena Fittoria, at mfittoria@pausd.org to volunteer. Parents of students participating in Challenge Day CAN help on the day of the event - the facilitators will just make sure they are in a small group *not* with their own child.

Thank you for your support!
